“Grand Canyon University summer basketball camps are the very best basketball camps around, bar none! My son has gone to all three camps over the past three years and will continue to go as long as he can – he absolutely loves them! The coaches are phenomenal, players are top shelf and facilities are amazing; the turnout in numbers is very strong and the environment is excellent... Not only for basketball but also for developing the kids into quality young adults. This is like winning the lottery!”

— *Jim E., son Hayden, age 11*

“One of the best run, most fun camps for young players. My son had a great time – learned a lot – and enjoyed the fun and competition. Collaboration with the coaches, players and campers is second to none and every day the kids gained a new friend. The awards ceremony in GCU really caps it off well – highly recommended for kids!”

— *Tim J., son Landon, age 8*
